

# Memorial Masonry Range

A memorial can be a huge comfort, a place to go where you can remember your loved one, lay flowers and reflect.

All memorials within this brochure are available in alternative sizes, materials and colours, subject to the regulations of your cemetery/churchyard. **A written quotation will be provided for alternative materials, sizes and bespoke memorials.** Our expert team will advise you on these regulations and help you choose the right memorial for your loved one. The memorials shown are a small selection of our most popular designs, please ask for other options if required.

## Inclusive lettering

Each memorial includes fixtures and fittings, VAT and a number of inscription letters. Additional lettering will be quoted as required.

### Headstone & base

Includes 75 sandblast & gild or painted letters, fixtures and fittings & VAT

### Kerb (Traditional) memorial

Includes 75 sandblast & gild or painted letters, fixtures and fittings & VAT

### Cremation and children's memorials & tablets

Includes 50 sandblast & gild or painted letters, fixtures and fittings & VAT

### Vases

Includes 20 sandblast & gild or painted letters, fixtures and fittings & VAT. Spun vases are not included.

If the inscription is in another language, as part of the permit application we require an English translation. Alternative language inscriptions will need to be supplied as a PDF or TIFF file.

Please note: Kerb/traditional memorials include earth to centre. Chip bed and chippings are an additional £300 inc.VAT, unless specified in the brochure.

We are able to offer a full bespoke service should you want something which is not shown in this brochure. Please discuss your requirements with your Funeral Arranger.
